

BISHOP FOX CORPORATION

GRANTS APPROVED FOR 2026 CYCLE

The Bishop Fox Company was established originally with the goal of creating a third Episcopal Church in the Billings area. Eventually, it was decided that the funds raised for this goal would be used for other purposes. The board eventually came to an agreement that it was important for the Corporation to be a perpetual entity that would engage in philanthropic work in our region. The Board is made up of members from Saint Luke's and Saint Stephen's, along with the bishop and an ex-officio member.

Funding requests are subject to the availability of fund resources and the discretion of the Bishop Fox Company. The vision of the Bishop Fox Company is to seek and serve Christ in all persons and strive for justice and peace among all peoples through the Episcopal Church in the Eastern region of Montana, the Diocese of Montana and the wider world. Our mission is to be a faithful steward of the resources entrusted to us in the Name of Christ who is our center and cornerstone.
